34 GLS 1/0

34 GLS IO

Designed for fun-filled days on the water, the 34 GLS IO blends spirited performance with effortless entertaining in a sleek, open layout. Expansive bow seating, a spacious cockpit with a well-appointed galley, and inviting social spaces create the perfect setting for relaxing and gathering on board. A swim platform that dips into the water offers easy access for swimming and waterside fun. Below deck, comfortable accommodations make it easy to extend the day into an overnight escape.

GALLEY – The galley features a fiberglass inlay sink, fridge, grill, and storage. The galley is located in the cockpit for easy flow of conversation to guest sitting on the L-shaped seating.

BOW SEATING – The bow seating features a table that easily converts into a sunpad, Rockford Fosgate speakers, and multiple cupholders. An optional foredeck shade keeps your guests nice and cool.

AFT SEATING – On the larger starboard side, the aft backrest can be flipped into the forward position to create a large aft-facing sunpad. There is also a personal, aft-facing seat on the port side.

34 GLS I/O
