34 GLS OB

34 GLS OB

Designed for fun-filled days on the water, the 34 GLS OB brings spirited performance and easygoing entertaining together in a stylish, open layout. A spacious cockpit with versatile L-shaped seating sets the stage for sun-soaked lounging, lively gatherings, and everything in between. Below deck, a convertible dinette and comfortable amenities make it easy to stretch the day into an overnight escape.

COCKPIT – The 34 GLS's cockpit features two cockpit L-shaped seating areas. The portside seating has an adjustable backrest that when flipped in the aft facing position, makes a companion seat. On the larger starboard side, the aft backrest can be flipped into the forward position to create a large aft-facing sunpad. There is also a personal, aft-facing seat on the port side.

BOW SEATING – The bow seating features a table that easily converts into a sunpad, Rockford Fosgate speakers, and multiple cupholders. An optional foredeck shade keeps your guests nice and cool.

LOWER SALON – The lower salon features a dinette that converts into a spacious berth. The lower galley is complete with a fridge, microwave, and TV.
