CRUISERS YACHTS

34 GLS I/O

The GLS series continues its powerful, entertainment-centered yacht line with the 34 GLS. The 34 GLS's cockpit features two cockpit L-shaped seating areas. The portside seating has an adjustable backrest while the larger starboard side seating converts into a large, aft facing sunpad. The lower salon features an aft stateroom, a dinette that converts into a berth, fridge, and microwave.

BOW SEATING - The bow seating features a table that easily converts into a sunpad, Rockford Fosgate speakers, and multiple cupholders. An optional foredeck shade keeps your guests nice and cool.

HELM - The helm aboard the 34 GLS is impeccably designed with Simrad electronics and joystick piloting. Underneath the bolster helm chair is storage or optional ice maker.

COCKPIT - The 34 GLS's cockpit features two cockpit L-shaped seating areas. The portside seating has an adjustable backrest that when flipped in the aft facing position, makes a companion seat.

GALLEY - The galley features a fiberglass inlay sink, fridge, grill, and storage. The galley is located in the cockpit for easy flow of conversation to guest sitting on the L-shaped seating.

AFT SEATING - On the larger starboard side, the aft backrest can be flipped into the forward position to create a large aft-facing sunpad. There is also a personal, aft-facing seat on the port side.

AFT STATEROOM - Need to rest for the night? The aft stateroom aboard the 34 GLS features a custom sized berth, and personal reading lights.

LOWER SALON - The lower salon features a dinette that converts into a spacious berth. The lower galley is complete with a fridge, microwave, and TV.

HEAD - The 34 GLS head features a sink, toilet, and standing shower. Storage hidden behind the mirror and underneath the sink allows you to tuck away personal items.
