

CRUISERS YACHTS

50 GLS

50 GLS

The Cruisers Yachts 50 GLS is the largest in the adventure-seeking GLS series of sport luxury bowriders. The 50 GLS features relaxing bow seating, dinette seating accompanying an ample exterior galley, and a generous cockpit complete with dual beach doors. The accommodations level features a forward queen size berth, a mid-berth sleeping area, and a head with a separate shower.

COCKPIT – Expand your swimming area by lowering both sides of the 50 GLS to convert them into a swim platform. The 50 GLS' cockpit features a midship galley and opposing L-shaped seating area, two aft-facing L-shaped seating areas, and additional bench seating. The transom area features a standard grill, sink, and storage.

OPTIONAL COUPE DESIGN – Enclose the midship cockpit for all-weather comfort with integrated air conditioning and heating, extending cruising well beyond traditional seasons. When conditions allow, the galley door and windows can open to invite fresh air, maintaining the open, social flow that defines the 50 GLS. It's a seamless blend of protection, comfort, and connection to the water.

FORWARD STATEROOM – Need to rest for the night? The forward stateroom aboard the 50 GLS features a custom queen size berth, hanging locker, 32" Samsung TV, and personal reading lights. The French door for privacy and the skylight with opening porthole complete this room.
