BOW LOUNGE – Designed with comfort and luxury in mind, and refusing to compromise on either, the bow is arguably the best seat on the ship. Ideal for morning coffees and conversation, the bow lounge features a comfy crescent lounge area as well as two reclining sun pads.

HELM – Be comfortable and in-control with an ultra-plush captains chair and companion seat. With cutting-edge digital screens and instruments, as well as a completely clear, unobstructed view of the trip ahead, you'll have everything you need to ensure smooth sailing.

UPPER SALON – Surrounded by windows, your guests can enjoy a meal in the formal dining area paired with a plush, U-shaped settee or relax with a cocktail on the sofa. The retractable window opens the space to the rear deck for passing refreshments and sharing conversation.

GALLEY – The galley is equipped with all the tools you'll need to host your soirée, such as a convection oven, microwave, wine steward, bottle storage, ice maker, dishwasher, and more. Separated from the cockpit by full-length sliding glass doors, the galley is the perfect way to keep your guest entertained.

COCKPIT – Dual entry from the swim platform is outfitted with a U-shaped seating area with optional bar stools facing the galley. The wet bar is located on the port side.

MASTER STATEROOM – Complete with a king-size bed, this roomy cabin has a café table with two built in seats perfect for pouring over the morning news or enjoying fresh poured coffee. Other amenities include a walk in closet and a master head with double shower and his and hers wash basins.

VIP STATEROOM – This elegant space offers maximum sound and distance privacy while providing comfort. The VIP Stateroom features a queen berth, large head with a separate shower stall and generous counter space, and also a walk-in closet – something rarely seen in the second stateroom, even on far larger boats.

THIRD STATEROOM – The 60's third stateroom is always filled with natural light, and comes equipped with plush and roomy bunk beds and a flat-screen TV.
